## FANTASY FOOTBALL DRAFT PARTY

Incredible turnout for the 2022 Fantasy Football Draft Party! Thank you to all who were able to make it out. The Cleveland Country Club did not let us down! Their staff was amazing, with a well-put-together dining area and a perfect taco bar. The stakes are high with twenty teams competing for the trophy! First place at \$300, second place is \$150, and third place at \$50. We look forward to the upcoming weeks, as these teams push through selecting players to get them to the top.

# HazRec Updates

## BREAKING DOWN HAZREC

Hazrec is broken down into 5 categories to help us visualize where we are in the plant. We have made some improvements and are continuing to do so. After all, our main goal is to NOT get anyone hurt. We want our employees to have a workplace that is free from recognized hazards.

By successfully implementing hazard mitigation techniques from leadership to employees, we work together to ensure ideas and corrective actions are seen through.

Please look to the bottom, these are a few snips from our dashboard that are sent to the supervisors weekly and posted in the breakroom for the employees. We are extremely close to our goal of 25% reduction in score.
