

# TRIUMPH SHEETS NEWSLETTER

## *New projects underway!*

Christmas does not fall short here at Triumph. With our new training room coming soon, we can seat 50 employees comfortably. We are all about training the team and want to make sure we can do that with some breathing room. Once completed, we will host CPR / First Aid classes, Safe Start, and much more. We have an expected finish date end of December 2022.

## *Angel Tree Success*

We were able to get the Angels taken care of for a second year! Thank you to all who could participate. As a local community charity, this really hits home.

## *Thanksgiving Lunches*

Big thank you to the team at Farmhouse for catering our Thanksgiving lunches. We are grateful to be able to provide the teams with a suitable lunch. They definitely exceeded expectations!

## *Christmas Lunches*

Hams will be distributed for all Triumph Sheets and TVC employees. Stay updated on the break room TV's

Farmhouse will also cater our Christmas lunches.
