

JULY 2023

# TRIUMPH SHEETS NEWSLETTER

## INSIDE THIS ISSUE

- TVC – Perfect Plant Award
- June's Kaizen project
- Retention Team – Day of Action Project
- Fourth of July Trivia and Jelly Bean winner.
- Fantasy Football

### Perfect Plant Award goes to..... TVC!!

Way to go TVC! The perfect plant awards are given to facilities that show safety is number one, by not having injuries in a calendar year. TVC has now gone 2 years without a recordable. Remarkable work to the team for achieving such a memorable goal!

Let's do it again next year! Remember all incidents must be reported-no matter how small. This is how we learn and grow to be better. Reporting is how we are able to catch the smaller incidents that later could result as a bigger injury.

## Triumph Sheets Safety Award

Triumph Sheets was also recognized for the safety award through AICC; which means that we have gone a whole calendar year without a lost time injury. As we strive each day to be better than the last, we need to continue to put Safety first.

Putting safety first means: Completing online training in a timely manner, looking out for our coworkers in upset conditions, completing safety audits, and much more. We all pitch in to get the work done from the top down. Safety is everyone's PRIORITY.

# The Kaizen Event of 2023

Learning and growth is something we value high here at Triumph. We are constantly learning how to be safer, run better quality, and be fast!

As our motto is Safety, Quality, and Speed we can not do this without learning new skills to place in our tool belts. This past month a team of employees devoted a week's worth of time to help be a part of this Kaizen Event.

## OUTCOME

Stay tuned in as we show the data from the shifts, in the breakrooms, each week. The team involved learned a lot coming out of this and hopes to see more plant improvement projects over the year.

# THE TEAM MISSED SPLICES

## TRAINING

We were presented with the opportunity to work side by side with Beau and his team from Effective Syndicate. A week dedicated to helping us learn how to run a project in areas we have struggled in. Before the project, we were missing splices on average mid 60 per month.

With this Kaizen event, we are expecting to reduce down to 0, over the next few months. The team has worked hard making sure to add visuals to the paper laying process for the clamp truck drivers and creating a video on how to make a splice.

# THE KAIZEN EVENT

# DAY OF ACTION

Each year the Retention Team gets a team of coworkers to help volunteer at Day of Action. Signup is closed for this year, but be on the lookout for next year's signup.

They will be at Blythe Bower Elementary School, in Cleveland.

**JULY 28TH, 2023**

The Retention Team will have more events to participate in through out the year. Keep your eyes posted in the breakroom for event postings.

# 4TH OF JULY

Trivia & Jelly Bean Winner  
Jamie Gennarini

*1033 Jelly Beans were in the  
jar. Can you believe it!*

Always an exciting time at Triumph. We love to celebrate, especially when it's celebrating our freedom! Hope everyone enjoyed the cookie cakes and popcorn. Big thank you to Cerise for getting this all organized and put together.
